With its motto of 'Customer First' the Company has grown over the years , Our indigenous technology with demonstrated capabilities & strategies brings in an unbeatable combination of experience,

MISSION & VISION

Our Mission

Our mission is to be consistently winning the trust & confidence of our clients by providing best international quality control cables & wires at competitive prices & on timely delivery . We rely on the idea of setting high standards enabling us to get closer to the perfect product & zero defect product

Our Vision

We remain committed to achieve our vision through teamwork , latest technology sincere & empowered manpower , wide customer base & an emphasis on transparency & optimization of resources which ensures quality product & process resulting into reducing costs, reduced waste, reduces re-work , reduced lead times .

Our Aim

Our Aim is to build an innovative world where we create values beyond communications & a long term partnership with our customers to help them succeed in their respective business domains .

Our Aim is based on our ability to sustain long lasting partnership which is mutually beneficial with those we conduct business ,

Our Aim is total commitment for creating productive environment , amenity , promoting peace of mind and smile to our customers & community to make us trustworthy company .

QUALITY POLICY & QUALITY OBJECTIVE

Quality Policy

We as YI is 100 % committed to strict adherences to total quality management (TQM) of our product by following special precautions , inspection norms at every stages of manufacturing to furnish standardization & homogeneity in the quality of the Control Cables & Wires by doing sincere efforts , intelligent direction , skillful execution ,

contemporary technology for perfect functioning , durability , friction free performance & zero defects in our YI Control Cables & Wires

Quality Objective

We are committed to give special consideration to the quality of our products

+ Right from the procurement of high grade qualitative raw material as per PPAP and FMEA guidelines.

+ Improvement in customer satisfaction , expectations , confidence by providing enhance tensile strength , smooth shifting , self lubrication , corrosion resistance , gear compatibility , accuracy features in our YI Control Cables & Wires .

+ To increase our business base & enhance our customer satisfaction, regular demand by providing `` Optimum quality , Better Cost & Optimum Zero defect delivery `` .

+ Providing healthy & safer environment to each employee

+ Training & motivating each employee to develop the spirit of team work

+ Reduction in machine & tooling maintenance costs

COMPANY FACTSHEET

BASIC INFORMATION

Nature of Business	Manufacturer
Registered Address	Office : M-170 , Gali No. 11 , Shastri Nagar , Delhi -10052 Works : Plot No. 8-A , Gali No. 14 , Sameypur Indl. Area , Delhi - 110042
Industry	Automotive Control Cables & Wires
Year of Establishment	1988
Legal Status of Firm	Proprietorship

COMPANY USP

Primary Competitive Advantage	Experienced R & D Department
	Large Product Line
	Large Production Capacity

PRODUCTS

Automotive Control Cables For 2 w/h`s , 3w/h`s , 4w/h`s , special purpose customise machinery	Clutch Cables , Throttle Cables , Brake Cables , Choke Cables , Push Pull Cables, Rope Wires , Engine Stop Cables , Speedometer Cables , Strand Twisted Wire , Seat Lock Cable etc.
---	--

MANUFACTURING FACILITIES

Overtime we have grown organically in & diversified our manufacturing capabilities by introducing advanced machines for manufacturing comprehensive varieties of automotive control cables & wires for all 2w/h`s , 3w/h`s , 4 w/h`s , special / customized purposes etc. , We are the only company in Delhi which has the complete manufacturing facilities for all inputs required for making control cables in House

We have a world class manufacturing unit enabling us to provide world class control cables for making it a symbol of superlative quality product , cost effective at the different stages of quality control & innovations at our unit through out high standard infrastructure & operations which consists of :

- + A team of technically qualified professionals that keep a constant production & quality control at various stages of manufacturing
- + Over covered 1500 sq mtr working area (floor & unit wise)
- + Consistently embarked on automation of its various process of manufacture by progressively installing spm`s .
- + high speed stranding machines , wire coilers , diecasting machines , extruders , SPM`s for cable making ,
- + Inner Wire Tensile Break Load Test
- + Cable Proof Load Test
- + Cable Mechanical Durability Test
- + Cable Conduit Buckling Load Test
- + Cable Conduit Compression Load Test

OUR PRODUCTS

The best quality automotive control cables & wires at competitive price and timely delivery are provided by us are as :-

CLUTCH CABLES

THROTTLE CABLE

FRONT BRAKE CABLE

REAR BRAKE CABLES

CHOKE CABLE

SPEEDOMETER CABLE

SEAT LOCK CABLE

CABLE CASING CONDUIT (OUTER)

TWISTED STRAND WIRE

APPLICATION AREAS

2 W/H SCOOTERS

2 W/H MOTORCYCLES

2 W/H MOPEDS / SCOOTIES

3 W/H COMMERCIAL AUTO

BATTERY E - RICKSHAW

4 W/H COMMERCIAL AUTO

TRACTORS

CRANES / LOADERS

CARS / SUV / XUV

TEAM WORK

Team Work

We have employed a highly experienced team of professionals who have sound experience in their respective domains and enables us to attain there define targets , increase productivity .

Our team of experienced , skilled , dedicated , hardworking & technologically updated personnel make optimum utilization of the available resources to make sure to manufacture superior & unparalleled quality products , Our skilled professionals understand every technical details of the product manufactured which enables them to produce world class quality of control cables & wires .

They together make a team of dedicated & experienced engineers who leave no stone unturned in their pursuit for perfection , also we provide periodically productivity improvement training classes in our Unit .

Our team consists of : -

- + Management professionals
- + Skilled Staff
- + Semi Skilled Staff
- + R & D professionals

CUSTOMER RELATIONSHIP

Our **YI** team & its management is a firm believer in `` Customer First `` ,

Our network & close interaction with dedicated clientele , commitment to technology & innovation enable us to provide our customers a level of quality & services well beyond traditional expectations .

Quality , Cost , Variety , Customise , Delivery has been the key`s for **YI** growth

We understand that friendly and prompt services are the key to success .

The service & knowledge available at **YI** is unmatched in the area . Our products are supplied directly to manufacturing OEM plants , consumers which clearly reflects the level of confidence which we enjoy with our customers .

In our continuing efforts to remain the supplier of choice to our distinguished and demanding customer base , we have added many services , features & continual improvement programs all aimed at making us `` The Supplier Best Choice ``

our Values
